## Capabilities Statement

Customized Medical Needs, LLC provides Alcohol & Substance Abuse Treatment in both Intensive Outpatient and Residential treatment capacities. Our clinicians provide education, support, and counseling to individuals diagnosed with alcohol and drug dependence, mental illness, and other identifiable behavior disorders. Collectively our staff has over 50 years plus experience working in the field of Addiction/ Criminal Justice arena. Specifically, Trauma-Focused Cognitive Behavioral Therapy.

### CMN's Alcohol & Drug Non-Residential

Rehabilitation Treatment Program is specially designed for individuals suffering from Alcohol/Opioid dependencies. Our Alcohol & Drug Residential Rehabilitation Treatment Program (In-Patient) is also designed for individuals suffering from Alcohol/Opioid dependencies which may or may not include Mental Health diagnoses. Treatment plans are individually developed to address health concerns, housing stability, and workforce development.

Customized Medical Needs, LLC (CMN) will

provide a high quality, multi multi-disciplinary approach to healthcare through affordable and reasonably cost services, ethical and honest treatment, respect to our patients and the provision of safe communal behavioral/medical services by highly trained clinical staff.
